Hi Erica - we currently have a draft table together that is circulating to the management staff to update/review their action items. It's due back to me next Tuesday from each of them, so I hope to compile and send it by next Wed to you and Sam for review/discussion. I hope that timeline works for you... we're working around a few field schedules, etc.

Thanks!

Hi Tom and Karina,

Hope you are both doing well. How are things going with identifying outputs and outcomes in your FY 2018 workplan since our discussion two weeks ago with Sam? Do you have a draft table ready for us to review?

Thanks in advance.

Best,

Erica
